

# Jacob Year 5

## Things we love about Jacob

- His sense of humour
- Gives everything a go
- He is kind and gentle
- He loves asking questions
- He is great at anything technical
- He knows loads about films
- He is constantly smiling

## What is important to Jacob at school

- Doing Maths -especially cracking times tables
- Using the computer for maths games and research
- Playing with friends Oliver and Milo at break time
- Swimming lessons at school and then practising swimming at weekends!
- Doing word searches

## How best to support Jacob at school

- Don't give Jacob more than 2 instructions at a time.
- Ask Jacob to repeat instructions so you know he has understood.
- Revisit instructions every 5-7 minutes.
- Ask Jacob to check spellings using a dictionary and new words using a thesaurus.
- When writing,ask Jacob to read it out and edit it. Writing on alternate lines helps this.
